The energetic exchange for 2.5 days is \$350-500 and for 5 days is \$650-800 for over 50 hours of gathering hours, directed studies, course materials, home practice exercises, and contributing to the economic health of our black, indigenous + people of color healers.

Our prices are on a sliding scale system. This is based on honor, trust and true reflection of what you can offer for the learning + healing experience we are creating for you. Please think generously - what could be more important to contribute to than black, indigenous people of color sovereignty, food, housing, skilled herbalists, healing practitioners + medicine that will heal you + your communities? The true cost of running the programs is about \$500/\$800 pp. Blessings!
